P/N MDL-C-1ZN

Marine Intelligent Electronic Door Lock, Card + Key

Cerradura electrónica marina, tarjeta y llave

Electronic cabin lock with a smart-card reader, motorised outside handle and mechanical key fallback. Door thickness 38–42 mm. After-sales (cards, software, batteries and installation) is part of the offer. Replace the battery when voltage falls below 90% of nominal (catalog Chinese is 90%, not 20%). Faceplate overall size is not labelled.

Genuine OEM equivalent available on request.
