P/N MDL-C-8

Marine Door Lock, Reversible Latch

Cerradura de paso con pestillo reversible

Passage / privacy-style lock with a reversible latch (“changing tongue”) and distinctive curved levers. The door is opened by turning the lever clockwise and locked by turning the lever counterclockwise. No key or cylinder is described. Door thickness 36–45 mm. No strike is shown on the catalog drawing.

Genuine OEM equivalent available on request.
